SUMMER CAMP 2026

Growing together
GNAG
for **50** years

Start your summer with GNAG!

Registration begins:
Tuesday, February 3 at 7:00 pm

REGISTRATION at GNAG.ca

Grades refer to Sept 2026

1. Click the REGISTER or BROWSE button.
2. Choose a CAMP FOLDER (organized by week).
3. Select an ACTIVITY. You will be prompted to log in or create an ADULT user profile.
4. Note: You may already have an Amilia account if you've recently registered for lessons at the St. James Tennis Club or another local business that uses the same platform. Please do not create a second profile. If you're unsure, email or call us and we're happy to help verify.
5. Choose a PARTICIPANT from your list, or select ADD ANOTHER PERSON to add a child (this appears in a pop-up menu).
6. Please only add immediate family members to your profile. Non-family members will remain permanently linked to your account.
7. Confirm your account by responding to the verification email sent when you created your profile.
8. All campers (online and in-person registrations) must have a completed liability waiver on file before starting camp.

Important: Your child's profile must include an adult email address so you receive all camp-related information.
In-person registration: Visit us during regular hours. We accept VISA, MC, debit and cash.
Telephone registration is available when the building is open. Check hours at GNAG.ca or call 613-233-8713. We accept Visa and MC.

Registration Pro-Tip

Ensure your profile and those of your children are up to date on our registration platform - Amilia, including behavioural, educational, physical and social aspects.

REFUNDS & TRANSFERS

Notification required: Refund requests must be submitted by **EMAIL to info@gnag.ca by 5:30 PM on the Friday at least 2 weeks (10 full business days) before the camp start date.** GNAG staff do not work on the weekends during the Summer.

1. Within notification period.
Refund with 7% admin fee or credit on GNAG account with no fee.
2. Less than notification period.
Refunds or credits on GNAG account will not be issued.
3. Change your mind? Got a waitlist spot?
Notify us first! We can help without incurring fees. A transfer requires the same period of notification.

WAITING LISTS

If a camp in which you are interested is full, you have the option of making another camp selection, or being put on a waiting list on the camp registration page. Participants will be contacted only if a space becomes available.

5 tips to Summer Camp Success!

1. Be Realistic

Every child is different, so the "perfect camp" for them will vary quite a bit. Carefully consider your child's comfort level with strangers and new experiences before choosing a camp. Ideally camp will challenge and inspire your child, not freak them out. If this is your child's first camp experience, it might be better to choose a camp with a wide range of activities.

2. Be Quick

Some camps can sell out in minutes. Make sure you take time ahead of registration to review the guide carefully and plan out your summer as best as you can. Add your child to the waitlist immediately if you don't manage to secure a spot.

3. Be Proactive

If your child needs extra help to have a successful week at camp, we may be able to help you with Integration, but we need you to contact us as soon as possible. We have a limited number of support staff and those spots fill up quickly.
Please email jason@gnag.ca before registering your child. Jason will need a few days to review your file and confirm if staff are available to support your child.

4. Be Prepared

If you change your mind about a camp, we require 2 weeks' notice prior to the start date and time of your camp to withdraw. We require 1 month's notice to withdraw from a sleep-away camp. If you want to transfer from one camp to another - let us help you and you'll avoid any admin fees. Transfers require the same timeline notification period. All change requests must be made by email to info@gnag.ca.

5. Be Organized

If this is your child's first time at a camp, make sure you go over the basics; drop-off and pick-up, eating lunch independently, toileting independently, applying sunscreen independently, staying hydrated, listening to counsellors, the possibility of going on a school bus, etc. If you have time, come by the centre so your child can see the place they'll be coming to.

FAQs SUMMER CAMP 2026

1. What's a typical camp day?
That's actually a pretty tough question for us because we offer a large and diverse range of camps for a broad age range, 4 - 17 years.
Campers arrive with their guardian at 8:45 am, check in with their coordinators, stow their gear and get settled into their space. We start the week with get-to-know-you games, followed by activities based on the camp's theme or specialty. Campers have a morning snack, lunch, and afternoon snack. Pick-up is at 4:00 pm, with time to connect briefly with the coordinator about your child's day. If you're interested in a specific camp, email us or give us a call and we'll do our best to map out a typical day.

2. My child turns 4 in the fall and is entering JK in September 2026. Can they attend a full-day camp?
Unfortunately, no. Our youngest campers must be four (4) years old on the first day of their first camp. Camp groupings are based on the child's grade in September 2026.

3. What if my child is sick?
Sorry we do not offer refunds for planned absence or an absence due to illness or conflicts with personal schedules unless the required notification is given.

4. What does my child need at camp?
Please label all personal belongings. With approximately 270 children attending camp each week, you can imagine how quickly our Lost and Found fills up by the end of the summer!
Technology is not permitted at camp unless it is specifically noted in the camp description.

Campers need to bring:
- A hat
- A reusable water bottle
- Sunscreen
- Shoes suitable for active play (no flip-flops or slides, please)
- Two nut-free and sesame-free snacks and a lunch

Some camps will indicate special requirements in their descriptions or weekly schedules which you will receive in advance of your camp.

5. What if I want to transfer camps?
If you are offered a spot on a waitlist and wish to transfer camps (and there is sufficient notice), please email info@gnag.ca so we can facilitate that transfer for you, otherwise you may incur some refund fees.

6.What is your staff retention rate?
We have an excellent ratio of returning to new staff with the majority of our coordinators and senior staff coming back year after year.

7. How do you screen your counsellors?
Our staff are carefully screened and selected for their activity skills, level of enthusiasm, ability to work well with children and good judgement. Training is provided on safety procedures and expected conduct as well as activity planning and implementation. We have a careful and experienced interview team. We review appliocant references and check to ensure their certifications are up to date. Staff 18+ have a Vulnerable Sectors check.

Our counsellors are certified in;
- Standard First Aid and CPR-C & AED
- AODA
- DEI Training
- WHMIS

8. What are your ratios this summer?
Our camper to staff ratios are well above the Ministry of Education and City of Ottawa guidelines. Campers 9 years and under have a ratio of 1:8; older camps have a ratio of 1:10.

9. Are you accepting volunteers?
Yes! We love our Summer volunteers. All volunteers must be a minimum of 14 years old by the end of 2026. Volunteer applications will be released at the end of April on our Careers page. Follow us on social media for details.
Pro-tip: all inquiries should come from the youth themselves, not their parents.

10. Do you offer subsidies?
Financial assistance is available for our summer camps, child care and recreation programs. Please email info@gnag.ca or call the GNAG office at 613-233-8713 for more information. You can also download the forms from our website by searching under the "Jump To" menu. There are no geographical restrictions to our subsidy program but forms need to be renewed every year as of July 1.

You must apply in advance, at least 3 days before registering so we can process your application and determine your subsidy plan.

Wk 4: July 20 - 24 OR Wk 5: July 27 - 31

Step-up Leadership is designed for leaders who have previously participated in a Glebe Leadership program. This three-week session will take the skills learned from previous sessions and put them to work in the real world. All participants will attend July 13 - 17 and August 4 - 7 . Each leader will complete a volunteer placement week in a GNAG camp. These one-week placements will be scheduled either July 20 - 24 OR July 27 - July 31. We organize the placement – and you do the work! Enthusiasm and dedication are a must in this program, designed to turn you into a camp counselor! This session will make your resume stand out. But don't worry – in typical Glebe Leadership fashion, it's not ALL about the work! There will be some killer out-trips and exciting new challenges and games too! Participants are required to demonstrate certain skills in order to successfully complete this program, and **are required to attend all 3-weeks of the program**. Successful participants will be given credit towards their 40-hour community service requirement. Please note, there is no program Monday, August 3 - Civic holiday. Coordinator: Erica Nowlan (Recommended for participants entering Grade 9 - 11.) **Prerequisites**: **Minimum - completed one session GL or instructor's permission.**

INTEGRATION SUPPORT

Everyone should experience the magic of summer camp!

GNAG is applying for a 2026 Federal Canada Summer Jobs Youth Employment grant. If funding is approved, we will be able to offer one-on-one and low-ratio integration support for summer campers with additional needs. If your camper may require this type of support, please email jason@gnag.ca for more information.

Support must be arranged before registration, and will depend on camper needs and staff availability to ensure a successful summer for everyone.

Whether or not your child requires additional support, please ensure your Amilia profile is up to date with relevant information, including behavioural, educational, physical, and social needs.
